

Proyecto Pastoral empowers the community of Boyle Heights through grassroots projects in education, leadership, and service. We directly serve over 5,000 community residents annually through two **Early Childhood Education Centers**; **IMPACTO**, the three-site after school and summer academic enrichment program for youth; the **Guadalupe Homeless Project**, providing emergency shelter and support services to men and senior-aged women; **Comunidad en Movimiento** for public safety and civic engagement; and a **Distribution Center** that provides low-cost, gently-used clothing to the community. In partnership with 20+ other agencies, Proyecto Pastoral is also the backbone organization for the **Promesa Boyle Heights** initiative to increase education and wellness opportunities in the community.

Adopt-A-Family

The Adopt-A-Family program lightens the load for local families facing economic hardship during the holidays. 30 families from our programs are selected to fill out a needs survey so that we can match each one with a generous donor who provides them with the items on their wish list. Wish lists will be available to sponsors in Nov 4.

Winter Jacket Drive

On Christmas Eve, Proyecto staff distribute new jackets to the men and women participating in our shelter program, the Guadalupe Homeless Project (GHP). We need 60-70 new jackets to meet the needs of these individuals who would have no other place to turn this winter.

Donation Deadline: Dec 16th

Toy Drive

Year after year, generous donors help ensure that hundreds of youth participating in our IMPACTO youth programs receive at least one gift during the holidays. We provide you with an ornament decorated by a local boy or girl that includes their photo, name, age, grade, interests, and 3 wishes. And as a sponsor, you are then invited to join your youth at their Christmas Recital on December 16th.
