Leadership

Comunidad en Movimiento (CEM)

In January 2019, CEM supported the LAUSD teachers' strike - 11 CEM members were active on the streets near schools in Boyle Heights promoting information about safe and alternative places where students could go when not in classes.

CEM started a listening campaign with residents of the Pueblo del Sol public housing units, together with LA Voice, to identify opportunities to organize residents around their housing rights.

In August 2019, CEM began Census 2020 outreach in the community to ensure that Boyle Heights residents are counted
